

SONOMA'S WILLIE BIRD TURKEYS

We are proud to serve organic and free-range turkeys from Willie Bird in Sonoma. We've been celebrating Thanksgiving with Willie Bird's owners — the Benedetti family — for over 20 years.

ORGANIC or FREE-RANGE TURKEYS

Fed only certified organic and natural grains with no animal by-products, organic Willie Bird turkeys have an unmatched superior flavor.

Willie Bird's free-range turkeys roam the oak-studded hills of Sonoma and are famous for their rich flavor and moist, tender texture.

NATURALLY SMOKED TURKEYS

Willie Bird's smoked turkeys are cured in a mild, low-salt marinade, then smoked over natural alder wood. The poultry is then kept fresh — never frozen — via special vacuum sealing. The result is a satisfying and flavorful Thanksgiving turkey.
